Mistakenly Release Inmate Recaptured

TOWSON, MD (February 26, 2010)---Raymond Taylor, the inmate mistakenly released from the Maryland Correctional Adjustment Center yesterday, has been recaptured by a law enforcement task force in Martinsburg, West Virginia. He is presently in the custody of the West Virginia State Police and will be brought back to Maryland as soon as practical; those arrangements for returning him to Maryland are not finalized.

Further details will be released as soon as possible, and the Department will advise the media as far in advance as possible should there be another actual news conference planned.
