DISCRIMINATION IS PROHIBITED IN MARYLAND

It is the policy of the State of Maryland, and DPSCS, to adhere to the principles of equal employment opportunity for all its employees and applicants for employment; provide a workplace that is free of sexual harassment; and provide reasonable accommodations to qualified individuals with disabilities.

Executive Order 01.01.2007.16 (Governor's Code of Fair Employment Practices) and §2-302 of the Annotated Code of Maryland State Personnel and Pensions provides that all personnel actions concerning any employee or applicant for employment will be taken without regard to:

Age Race Color Sex Ancestry Sexual Orientation
National Origin Creed Religion Disability Marital Status
Political Affiliation Genetic Information Gender Identity & Expression

Employees who believe they have experienced discrimination may file a complaint with the Department's Office of Equal Opportunity, their facility's EO Designee or via the DPSCS website or Safety Net. Such complaints must be filed within thirty (30) days after the person filing the complaint knew or reasonably should have known of the alleged violation.

Employees who believe they have been subjected to sexual harassment should immediately report the incident(s) to any manager or supervisor, notify the Department's Office of Equal Opportunity, their facility's EO Designee or contact the Office of the Statewide Equal Employment Opportunity Coordinator.
